Evaluation Table (April 10, 2008)

Each application was evaluated independently by the 4 organizers. The score is mainly dependant on the expressed motivations, the background with regard to the aim of the course as indicated in the announcement. The table shows the list of candidates ranked according to the sum of the 4 scores.

As we indicated in the course announcement solely the 20 first are selected to attend the course.

Each of the 20 first candidates is asked to send an e-mail within this week (deadline April 20, 2008) confirming his (her) participation to the course. Non confirming candidates will be automatically replaced according to the list as indicated from position 21 upwards.
