2.If guest wants to stay extra night the rate will be:

- Standard Room : HK\$570.- per room per night

* Room rate (effective 1/Sep/2008 until 30/Jun/2009)

* Same rates for single and double occupancy

* Extra bed charges \$100 daily for third person sharing the same room

* All rates are subject to 10% service charge

* Complimentary daily breakfast is included

* **All reservations are subject to availability at time of booking**

3. There're 2 other hotels I can suggest:-

* Island Pacific Hotel : www.islandpacifichotel.com.hk

* Courtyard by Marriott : www.courtyardhongkong.com

Both offering very attractive rate, but all depends on room availability.
