

Calmette & Yersin Doctoral Grants

Call for proposal 2026

The Institut Pasteur, a member of the Pasteur Network, has for many years been committed, through the Calmette & Yersin programme, to supporting the development of scientific expertise within the institutes of the Pasteur Network, with a particular focus on those in the Global South.

To offer unique opportunities to talented young scientists, the Institut Pasteur is launching the 2026 call for applications for three **(3) doctoral fellowships**.

In collaboration with their future supervisor, scientists from an institute (list of eligible institutes in the appendix), candidates must propose an innovative research project aligned with the priorities of the [Institut Pasteur's 2030 Strategic Plan](#).

During their three years of doctoral study, they will be required to participate in [at least one course](#) organised by the Institut Pasteur, which they must identify and justify in relation to their proposed project).

Applications must be written in English or French and [submitted online](#) by **20 April 2026 (midnight) at the latest. Any incomplete or paper applications will not be considered.**

Applications must be submitted via [the Pasteur Network Application Portal](#). Before applying, please read the guidelines carefully. Please also pay close attention to the eligibility criteria, application deadlines and any specific requirements or restrictions..

Appendix :

- Centre Pasteur in Cameroun
- CERMES Niger
- Institut Pasteur de Bangui
- Institut Pasteur de Côte d'Ivoire
- Institut Pasteur de Dakar
- Institut Pasteur de Guinée
- Institut Pasteur de Madagascar
- Institut Pasteur d'Algérie
- Institut Pasteur de Tunis
- Institut Pasteur de la Guadeloupe
- Institut Pasteur de la Guyane
- Institut Pasteur du Maroc
- Institut Pasteur de Nouvelle Calédonie
- Oswaldo Cruz Foundation (Fiocruz)
- Institut Pasteur de Sao Paulo
- Institut Pasteur du Cambodge
- Institut Pasteur du Laos
- Institut Pasteur in Ho Chi Minh City
- National Institute of Hygiene and Epidemiology (NIHE)
- Pasteur Institute in Nha Trang
