## "Show me what you got" Seminar Series

Once a month, a volunteer PhD student will present the state of the art of his/her research area and how his/her project can contribute to our knowledge

- A dynamic scientific meeting, by PhD students to share their expertise with other PhD students
- Every seminar is organised in two parts: 30min presentation, followed by 15min discussion
- Participants will acquire the necessary skills to present and discuss their work

**First Topic: Phage therapy**

**By: Mathieu De Jode (Microbiology Department)**

**Date:** May 14, 2018 from 11:00 to 12:00 **Lieu:** Amphitheater Monod

**To apply:** [doct-office@pasteur.fr](mailto:doct-office@pasteur.fr), [Stapa-journalclub@pasteur.fr](mailto:Stapa-journalclub@pasteur.fr)
