How to start a PhD at the Institut Pasteur

PhD studies at the Institut Pasteur are carried out with partner universities:

...through their affiliated Doctoral Schools in Life Sciences, Medicine and related fields.

Entry pathways include:

- National Doctoral School competitions
- Laboratory-funded projects (national, EU or private grants)
- Pasteur-Paris University International Doctoral Program (PPU) - general and specialized tracks (MD-PhD, Research & Technology, and more)
- CIFRE contracts with industry partners
- Graduate Schools in partnership with Université Paris Cité (Antimicrobial Resistance and One Health - Emerging Infectious Diseases)
- International joint PhD programs - co-supervision agreements (co-tutelle)

Funding, status and salary depend on the PhD student contract or fellowship.

The Doctoral Student Office

A dedicated support on campus

The Doctoral Student Office provides PhD students with support on both scientific and administrative aspects, from their arrival to the graduation ceremony:

Academic support & guidance

Help with university procedures

Housing support

Digital & on-site training offers

International doctoral programs management

Tutoring to foster well-being & balance
