Horaires	Titre	Intervenant	Horaires	Titre	Intervenant	Horaires	Titre	Intervenant				
9h-10h30	Introduction, Regulation, Design of surgical procedures	Berard 1h30	9h-10h30	Work in small groups on various scenarios. Each group must define: Protocols of anesthesia and analgesia Intraoperative care The challenges specific to each scenario Adjustment of analgesia according to postoperative follow-up	Mocho 1h30	9h-13h	Practicals, how to... put on a surgical mask disinfect hands put on sterile gloves create a surgical field and an aseptic environment hold surgical instruments make a surgical wound recognize the different sutures and needles make a suture and a surgical knot	MATTEI/Mocho 3h				
			10h30-11h	BREAK								
10h30-11h	BREAK		11h-12h30	Asepsis and surgery The surgical suite The asepsis concept Prepare well to optimize asepsis and scarring	Mocho 1h30							
11h-13h	Humane endpoints adapted to experimental procedures	Mattei 2h	12h30-13h30	Lunch 13:30 photo in front of the museum		12h-13h	Prevention of infections	Mattei 1h				
			13h30-15h	Demonstrations of the use of machines used in surgery rooms: Anesthetic gas vaporizer Heating cushion Heated recovery cage Other tools used in the laboratory (eg pulse oximeter)	Mocho 1h30							
13h-14h	Lunch		15h-15h30	BREAK		13h-14h	Lunch					
14h-15h30	Définitions and preparation to anesthesia and peroperative care General considerations Premedication Peroperative analgesia	Mocho 1h30	15h30-18h	Surgical instruments and sutures Presentation of instruments and their use Access to and opening of body cavities Types of stitches, sutures and surgical knots Haemostasis and good surgical practices	Mocho 2h30	14h-17h	Practical on live animals	Mattei/Lecestre/Moigneau/Sefiane/Dominique/ Lafosse 3h				
15h30-16h	BREAK											
16h-17h	General anesthesia Injectable anesthesia Gas anesthesia	Mocho 1h										
17h-18h	Peroperative follow-up Care of the anesthetized rodent Management of the emergencies - resuscitation Peroperative care and postoperative follow-up	Mocho 1h				17h-18h	Exam	Mattei 1h
