

# 1st Workshop on Translational Venomics Medicine

**CHALLENGING HUMAN ENVENOMING ISSUES  
EXPLORING & EXPLOITING SNAKE & SCORPION  
VENOMS AND ANTIVENOMS**

**02 - 06 October 2017**

**Institut Pasteur of Morocco - Casablanca**

- Biology & systematics
- Epidemiological aspects & management of envenomation
- Venoms, composition and mode of action
- Immunotherapy (classic and innovative)
- Venomics & antivenomics
- Therapeutic potential of venom bioactive peptides

## **CONTACT PERSON**

Dr. Naoual Oukkache - GSM: + 212 6 61 32 22 24
